

# WISCONSIN MOTORCYCLE ROADS

## **Welcome!**

We would like to welcome you to the fourth edition of *Wisconsin Motorcycle Roads Travel Guide*! Our guide contains great roads, great food, comfortable places to stay and interesting destinations that are motorcycle friendly. We're not your everyday, run-of-the-mill website people or publishing company. WE RIDE!

With thousands of miles of seat time every riding season, we spend a lot of time riding the back roads looking for the best areas to ride on two (or three) wheels. Whether you are touring, riding the back roads, trails or off road this is your source for motorcycle information. We are here to share with you the best rides and destinations throughout the state. Our motorcycle travel guide is full of information including color-coded roads that are recommended by us and others.

There are several businesses on our website and in the guide that have chosen to market themselves to the motorcycle community and are waiting with open doors to show you some awesome hospitality. Stop on by and tell them you heard about them from *Wisconsin Motorcycle Roads Travel Guide*.

Enjoy your ride and see you on the road.
